

Needs mutual exclusivity Blue outline: exclusive -Turn off other toggles on the right Yellow outline: total reset is ok column when one is active Toggle custom on and off details yet to be implemented. On- Will basically be just visual. Interaction on the left will implement it live. Off- Majorly just needs to implement a full reset if that's how we want to do it. Toggle Bold Off Toggle Spaced Off Toggle Custom Off Toggle Bold On This is the current blockage -Undoing the spacing Toggle Preset 1 Off Toggle Preset 1 Off
